EAST YORKSHIRE'S LEADING SPECIALIST FINE ART & ANTIQUES AUCTIONEER

AUCTIONS

DAH auctions, originally established in 1885, have been holding regular sales ever since and in our current premises since the early 1960's. Today we hold a comprehensive programme that is flexible and adaptable to the ever changing marketplace and we have invested heavily in our internet and social media presence. In 2018 we shall be holding our regular quarterly Fine Art & Antiques auctions which will include sections for Fine Wine and Spirits as well as Designer Fashion. We shall be looking for more records at our three Classic Car & Motorcycle auctions, held off site at Sledmere House, Driffield and for more rare and unusual items in our bi-annual Militaria, Classic Toy & Collectables auctions. In addition we will hold one or two Victorian & Home Furnishings auctions every month. All of our auctions are hosted by the industry's leading auction internet portal, the-saleroom.com for global bidding as well as being advertised in specialist and local publications.

VALUATIONS

The team at DAH auctions have many years of experience in the Fine Art & Antique auction business and will provide free auction appraisals across a wide field, from jewellery, watches and silver, to classic cars and motorcycles, paintings, ceramics, furniture and the wider collectors market. For specialist subjects we have a backup of consultants available to us. We have an open valuation day every Monday in the Driffield saleroom between 10 am and 4 pm, plus we regularly undertake events at other premises throughout East Yorkshire and North Lincolnshire. For full details of forthcoming dates and venues please visit our website:

www.dee-atkinson-harrison.co.uk/auctions/valuation-days

The team also provide professional written valuations for Probate, Family Division and Insurance purposes. For executors and downsizers we can arrange all types of carriers from a total house clearance to a single high value vase going to Australia.

Further information is available from our website at www.dahauctions.com
